ODOR ABSORBING SUBSTRATE

- This powder product is ideal for maintaining the hygiene of cat litter trays.
- Of natural origin, free of allergens and abrasive chemicals, so your pet will be completely safe and comfortable in its sandbox.
- It contributes to the elimination of bad odors and provides greater performance of the substrate.
- Recommended dose 3 large tablespoons (1OZ) for a large tray.

**PRESENTATIONS:
8,8 OZ talquera**

NEUTRALIZER OF ODOR

MODE OF USE

Sprinkle approximately 3 tablespoons (1 OZ) on the bottom of your cat's litter tray evenly. If the substrate is sepiolite, mix well.

INGREDIENTS

Baking soda and natural flavoring
