

UNIVERSAL LITTER

100% BIODEGRADABLE

FAST ABSORPTION

100% NATURAL AND HYPOALARGENIC

ECOLOGICAL ABSORBENT FOR CAT LITTLE TRAY

- Composed of pellets made from plant fibers. Odorproducing particles are fixed and provide a natural fragrance, resulting in a fresh environment
- They replace sanitary stones. Suitable for cats, rabbits and rodents
- It is a 100% biodegradable and chemical-free organic bed.
- **HOW TO USE:** In a sanitary tray suitable for your cat, place the product (approximately 1,57 inch high), and arrange it evenly. Shake well. With the help of a sanitary shovel, remove debris from the tray. It is recommended to do it once a day.
